We recommend doing the city tour in the morning. Duration 4 hours. The city tour service includes a visit to the historic center to visit the Plaza de Armas and see the historic buildings of the Cathedral, Chilean Post Office Buildings and the Municipality, later a visit to the Pre-Columbian Museum and then a visit to the Plaza de la Constitución and see the Palace Presidential. We will finish the tour by driving up to Cerro Santa Lucia, a historic place where the city was founded in 1541 and from where we will have a panoramic view of the city. Return to your hotel.
