

Private tours in Santiago

Half excursion to Viña Santa Rita

For wine lovers, whether they are connoisseurs or beginners, Viña Santa Rita (Maipo Valley) has created a series of tours where they can learn and enjoy the fascinating world of wine. By taking a tour in Santa Rita you will be in contact with the roots of wine in Chile, you will learn about its production process, you will taste the best wines and you will enjoy all the cultural heritage of the vineyard with a historical past. We offer two tour options with private transfers from Santiago for a half-day visit and accompanied by a bilingual guide (Spanish/English).
